

PETITION FOR RECALL

TO THE HONORABLE LUCIA MAR UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION, Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the Lucia Mar Unified School District, of San Luis Obispo County, California, respectfully state that we seek the recall and removal of Colleen Martin holding the office of Lucia Mar Unified School District Governing Board Member, Trustee Area No. 2, in the Lucia Mar Unified School District, in San Luis Obispo County, California. We demand an election of a successor to that office. The following Notice of Intention to Circulate Recall Petition was served on April 29, 2021 to Colleen Martin:

TO THE HONORABLE COLLEEN MARTIN: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of Lucia Mar Unified School District, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Lucia Mar Unified School District Governing Board Member, Trustee Area No. 2, in Lucia Mar Unified School District, in San Luis Obispo County, California, and to demand election of a successor in that office. The grounds for the recall are as follows: The board failed the students by not advocating for a return to school as soon as the guidelines allowed. The board repeatedly failed to reopen all schools when allowed by the state, while other districts within our county reopened several months sooner than LMUSD. The district could have reopened as early as October 6, 2020 but did not begin opening in a hybrid format until March 2021. In November, the board failed to seek a waiver for elementary schools to reopen and continued to refuse to open all schools full-time when the CDPH guidelines were updated to allow for full-time, in person learning on March 20, 2021. In addition to these failures, Martin has introduced political comments into the public school board meetings, thus distracting from the bipartisan purpose of the board. Martin has also blamed parents for low achievement instead of accepting responsibility for the board's actions, which have resulted in low student performance. Failing grades were up 155% at the high school level at the end of the first semester, largely due to the actions of the board. Lastly, Martin has dismissed failing students as not worth the effort since they are 'not college bound'. The printed names of the proponents are as follows: Shannon Galvan, Michael Mulder, RoxAnne Mulder, Timothy Holt, Jeanette Holt, Candace L. Human, Christin Brittingham, Sarah Green, Sandra Bocchicchio, Mark Bocchicchio, Misty Lackie.

The answer of the officer sought to be recalled is as follows: This has been a challenging year not just for Lucia Mar but the entire world. Student success and the health and safety of our students and staff have guided every decision made unanimously by the seven members of the elected Board of Education. The District followed the legally required State and County guidelines. We reopened classrooms and campuses as quickly as allowable while prioritizing keeping our students, families, and staff healthy, safe and ALIVE. We are full of gratitude for our community's resilience, especially our students', who patiently and gracefully navigated these unprecedented hurdles in true Team Lucia Mar fashion. Our students are back in their classrooms and athletes are back in competition. Robust end of the year activities are planned, including in-person Proms and Graduations. Summer school is being expanded. The new school year will see a return to full-time, in-person learning and the launch of a virtual academy to support students who thrived in remote instruction. As a Board, we remain optimistic and look forward to partnering with the community to provide our students with a brighter future. We respectfully urge you not to sign the petition. A SPECIAL ELECTION WOULD COST LUCIA MAR USD \$350,000 /s/ Colleen Martin

Each of the undersigned states for himself/herself that he or she is a registered and qualified elector of the Lucia Mar Unified School District of San Luis Obispo County, California.

PETITION FOR RECALL

TO THE HONORABLE LUCIA MAR UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION, Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the Lucia Mar Unified School District, of San Luis Obispo County, California, respectfully state that we seek the recall and removal of Dee Santos holding the office of Lucia Mar Unified School District Governing Board Member, Trustee Area No. 4, in the Lucia Mar Unified School District, in San Luis Obispo County, California. We demand an election of a successor to that office. The following Notice of Intention to Circulate Recall Petition was served on April 29, 2021 to Dee Santos:

The board's actions have resulted in low student performance. Failing grades were up 155% at the high school level at the end of the first semester. In addition to these failures, Santos has referred to parents who express opinions that challenge the board as 'hateful people' who should keep their opinions to themselves. This cancel culture has no place on the board. By labelling and stigmatizing people that disagree with the board's decisions, the community is disenfranchised, and the board fails to fulfill its mission to represent the students and parents in the district. The printed names of the proponents are as follows: Shannon Galvan, Michael Mulder, RoxAnne Mulder, Timothy Holt, Jeanette Holt, Candace L. Human, Christin Brittingham, Sarah Green, Mark Bocchicchio, Sandra Bocchicchio, Misty Lackie.

PETITION FOR RECALL

TO THE HONORABLE LUCIA MAR UNIFIED SCHOOL DISTRICT BOARD OF EDUCATION, Pursuant to the California Constitution and California election laws, we the undersigned registered and qualified electors of the Lucia Mar Unified School District, of San Luis Obispo County, California, respectfully state that we seek the recall and removal of Donald Stewart holding the office of Lucia Mar Unified School District Governing Board Member, Trustee Area No. 4, in the Lucia Mar Unified School District, in San Luis Obispo County, California. We demand an election of a successor to that office.

The following Notice of Intention to Circulate Recall Petition was served on April 29, 2021 to Donald Stewart:

TO THE HONORABLE DONALD STEWART: Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters of Lucia Mar Unified School District, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the office of Lucia Mar Unified School District Governing Board Member, Trustee Area No. 4, in Lucia Mar Unified School District, in San Luis Obispo County, California, and to demand election of a successor in that office. The board's actions have resulted in low student performance. Failing grades were up 155% at the high school level at the end of the first semester. In addition to these failures, Stewart needs to be held accountable for voting against having resource officers in schools. This puts our students at increased risk of violence and student safety should be of the utmost importance. A bias against law enforcement is a political viewpoint which puts our kids in danger. The printed names of the proponents are as follows: Shannon Galvan, Michael Mulder, RoxAnne Mulder, Timothy Holt, Jeanette Holt, Candace L.
